Simple
breastfeeding

Common problems of breastfeeding mums

Neck and back pain

Hard to maintain baby's latch and position

Breast pain or discomfort

Body strain from poor posture

Both hands occupied while feeding

The Simple Solution: The Boobie Pillow

Adjustable strap for a secure, customized fit

Medical-grade, anti-microbial materials

Lightweight and comfortable

Easy-to-clean, durable fabric

- ✓ Relieves neck and back pain
- ✓ Keeps baby in perfect position for an easy latch
- ✓ Reduces breast discomfort during feeding
- ✓ Promotes good posture and full-body support
- ✓ Frees your hands for comfort and bonding

Made by a mum, for mums — designed to bring comfort, support, and ease to every feed.
